AFI Grant Amount	\$250,000
Nonfederal Support	\$250,000
Project Period	February 1, 2006 - January 31, 2011
Highlights	The new Mississippi IDA Partnership (MIDAP) will provide up to 200 participants with access to IDAs for homeownership, education, or business ownership. The program will match participant savings at a rate of \$3 to every \$1 saved, up to a maximum of \$3,000. The Mississippi Association of Community Action Agencies will serve as the administrative lead for this AFI Network project, while local agencies and their banking partners will provide direct IDA, training, and other services.
Target Population	Eligible residents in Mississippi, with a particular focus on the 64 counties not currently served by other AFI-funded programs.
Grantee/Collaborative Description	The Mississippi Association of Community Action Agencies consists of 20 community action agencies that have administered social, economic, and community development programs to low-income Mississippians for 40 years. Financial partners will vary depending on local partnerships.
